Mentor meeting

§1 Objectives

Our questions

§2 Discussion Items

1. About the authors on every file, what if multiple authors? What about bug fixing?
2. Functionality, is it better to cut down functionality if it is not great?
3. Can we request a time for our group examination since one of our group members can't make it on Wednesday?
4. Where can we find more information about the presentation?

§3 Outcomes

1. Author is the least important part, write all people who have done anything on a file
2. Have it in but write about it in RAD/SDD. Put everything in a document.
3. Not really.
4. <https://chalmers.instructure.com/courses/10412/pages/examination>
