Meeting

§1   Objectives

Is there more to add to the peer-review?
Questions for tomorrow's meeting.

§2   Reports

Peer-review preparation done with help from all group members.

- **Elias** added a structure for the messaging service.

- **Ali** is almost done with EditListing. Some issues need to be resolved.

§3   Discussion Items

1. What is our definition of done?
2. Submit peer-review.
3. Questions to ask Pelle.

§4   Outcomes and assignments

§4.1 Outcomes

1. Definition of Done: Tested, under Version Control, reviewed and all criteria of the user story met.
2. Reviewed Peer Review, not submitted yet though.
3. Is it a good idea to reuse our class ListingAdapter to show messages for example an interface IListable that all items that are shown in our Recycle View would inherit from?
   Enums instead of classes to hold information such as Shape? Doesn't follow Open Closed Principle?
   When is the project due?
